SALISBURY PLAIN ACCESS

Following a few weeks of extreme rainfall our flying sites are very wet. Chris Redrup reported that Salisbury Plain was very difficult to access and traverse a couple of weeks ago, even when driving a four wheel drive car. Some hardy souls decided on giving it a go for the first Area event and reported that they managed to get to the flying point without too much trouble. It was about the only site in the country that was dry and calm so their risk paid off well. Hopefully the rain will stop falling with plenty of time for the site to dry out before the London Gala and the Nationals. Please be very careful when driving onto the site especially if you have a normal road car with limited ground clearance.

TEAM SELECTION FOR THE 2025 F1A/B/C WORLD CHAMPIONSHIPS

The 2025 World Championships for F1A/B/C will take place in Romania in August 2025. The team selection is planned to take at RAF Barkston Heath on 11-12th May 2024. If five flights cannot be completed on that weekend a reserve date is set at 21-22nd September with a final fall back date for flyoffs at the Midland Gala on 19 October if required. To enter the team trials please contact Phil Ball by email at phil.ball@ntlworld.com if you have a 2024 season ticket (includes trials entry) or by post using the form below and you need to submit the £30 entry fee. The closing date for entries is 30th April 2024.
